

## Speed-Match 2024 International Networking Event (Virtual)

May 28 - 29, 2024 / Eskisehir, Türkiye

Dear EEN Colleague/Sir/Madam,

We are going to realize the Speed-Match International Networking Event that will be organized on 28-29 May 2024 on b2match virtual system. **Last year, we had over 350 participant companies from 31 countries in that event and we carried out over 750 b2b meetings.** Due to its success, we are pleased to announce that it will take place this year again. We wanted to inform you to sign up for the inspiring and interesting program we have carefully crafted for you.

2024 Event Web Site: <https://speed-match-2024-international-networking.b2match.io/>

**Registration is FREE of charge.**

The event will focus on the aviation, railway and automotive sectors together. Thus, it is aimed that companies with similar production capabilities will establish cross-relationships and expand their business networks. The event will be organized in cooperation with European Automotive Cluster Network (EACN), European Automotive Clusters Network (EACN) and European Railway Cluster Initiative (ERCI) that we are a member of this sectoral platforms at European level.

The event will provide large companies, SMEs, chambers, clusters, investors, public institution and associations with a unique opportunity to establish business and technology partnerships via 1-1 meetings **completely free of charge.**

**Join Eskisehir Chamber Of Industry Speed Match 2024  
International Networking Event**

If you want to become a co-organizer again of the event for free, you can contact the event organizer.
